## Call for Papers

### Journal of New Government Paradigm (JNGP)

**Journal of New Government Paradigm (JNGP)**, an International journal which is intended to publish relevant issues in government cases thematically. It is open publication for any relevant academic writings not only internally in IPDN but also for academicians, practitioners and government observers. It is looking for manuscript which is theme :

### “Public Services”

For this June 2015 editions, we deliberate to appoint that possibility for researchers, academicians, practitioners and observers to contribute through research result which is done as problem solution related Public Service.

Manuscript is written with provision :

#### 1. Submission of Manuscript

JNGP invites for review original papers (research, literature review, essay) written in English, in the field of theory and practice of governance and related disciplines. Each manuscript must be accompanied by a statement that it has not been submitted for publication elsewhere. Manuscript should be typed in Microsoft Word with one line spacing, 10-20 pages including appendices and Times New Roman (TNR) fonts. Two copies of typescript on A4 paper size and a CD-ROM with the corresponding file should be sent to the editor. The paper will then be reviewed using an independent blind review (advisory board) and the editorial team. Editor-in-Chief reserves the right to refuse any manuscript and to make suggestions and/or modifications before publication. Manuscript, which have been accepted, become the property of the publisher.

#### 2. Organization of Manuscript
